

Excel 97 Flight Simulator

Excel 97 contains a flight simulator Easter egg.

To execute it:

1. Open a new workbook
2. Press <F5> (Go To)
3. Type X97:L97
4. Click OK
5. Press <Tab>
6. Concurrently Press <Ctrl-Shift> + Click the "Chart Wizard" icon.

Your mouse will control up/down and left/right motions. Can you find the credits?

To exit, press <Ctrl-Shift-Esc>.

What Are They Doing?

Net-Monitor allows complete logging of Internet activity. It may only be disabled via a password. Rebooting the system simply reinitializes the monitoring software. It's a perfect tool for parents, educators, and employers interested in tracking what sites have been visited.

MS Office 97 Update

Microsoft has released a new version of it's Office 97 Service Release 1 update program.

If you've already installed Office 97 or any of the individual applications such as Word 97, Excel 97, PowerPoint 97, Access 97 or Outlook 97, the SR-1 (Service Released 1) patch will update your existing installation.

If you already downloaded the Office 97 SR-1 Patch prior to 8/16/97: download the patch update which will bring your previously installed SR-1 patch up to date.

Students Say Why They Like Damar Group Classes

“Relaxed atmosphere and quite educational. Staff makes you feel so comfortable.”

Iris Doyle, CMSI Columbia

“I have gotten more from this course because it was tailored to the class needs, not verbatim from the book.”

Kim Jacob-Carr, Varian
